My mother is schizophrenic, so she doesn't allow us to see the doctor much
I don't? Maybe I'm a character like that?

Why did you come here?

My girlfriend is going to be a little late so she wants me to wait here
Oh-

What about you? Are you having anybody?
Kind of.

Yeah.
Huh?

Did you hear about Soon Jo?

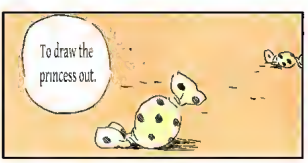
People are really worried about him.

I don't know what he is doing, but he walks around the mansion all day. .

What are you doing? You're in my way
I am trying to make a trail.



To draw the princess out.

He says nonsense like he is going to kidnap the princess.

Really?
Is something wrong with his head?

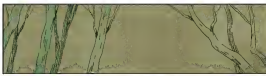
What is my brother doing these days?
She is Yoon Jo Yi, Soon Jo's sister
Huh? That kid is all grown up already?
Don't you know? If you don't know about Yoon Jo Yi around here, then you must be a spy

T/N It's a Korean saying that means you must be a spy if you don't know something about this area. Considering the North Korean spies



Soozi
Jo Yi!
Come
out now.

Who exactly were you all home for last Christmas, Rachel?
Hm, I wonder.

And who taught you to walk alone at night like this?
What about you?

Let's go home.
How long have you been here?

Are you really going to kidnap her?

You should know that people think you're crazy.
Do you know how many security guards are in this place?

Even if you get lucky, you won't be able to open a single door.

Hey! Are you listening to me?

Yoon Jo.

I really want to leave this place.

Sfx: Step step

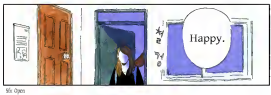
Why?
He had a lot of debt.

He went missing for several days. People were busy trying to find him.
And he was found dead in the forest.

Oh my, that is pitiful.

Soon-ish? Something like that happened to him.
He must have been really hurt.

Gyung Hun, you somewhat look...



Mr. Gyun

Mr. Gyun

Mr. Gun
